

The Lee Wiggins Childcare Centre

**MEDICAL CONDITION REQUIRING A HEALTH PLAN (AND TREATING PHYSICIAN'S SIGNATURE OF APPROVAL)**

**About This Form:** A Health Plan is the document we use to provide information to the staff about your child's allergies and medical conditions, especially those requiring medical attention. A doctor's note may be required to explain the medical details to the childcare. LWCC will follow the procedures for the condition or health concern as recommended by the Canadian Pediatric Society and the Toronto Public Health Department. It is the parent's responsibility to keep the childcare informed of any new developments or changes in their child's condition. Note: when a child is prescribed an EpiPen, the doctor's signature is required for the Health Plan.
